

KEENWAY

Tilman Taruttis

DIPL.-ING., PARTNER

**PATENT ATTORNEY
EUROPEAN PATENT ATTORNEY
EUROPEAN TRADEMARK AND DESIGN ATTORNEY**

Tilman Taruttis studied electrical engineering at the RWTH and has worked as a software engineer for a German industrial company for seven years. After his admission as German and European Patent Attorney, he worked as a patent attorney for Henkel in Düsseldorf.

He left the industrial sector and built up the Düsseldorf office of a Munich patent attorney firm before joining KEENWAY in 2013. He has been a partner since 2016 and has been able to expand his expertise in numerous infringement and nullity litigation cases before the German Federal Supreme Court. Thus, he does not only complement KEENWAY's service portfolio with a suitable component, but is also recommended by leading German law firms.
